

2018 Special Event Tournaments

Four-Man Team Par Point

Monday, June 11, 2018

Boundary Oak Golf Course

Event Chairman: Jim Barstow

All participants must pay \$5.00 to the treasurer to enter this event.

Format: Each player in the foursome plays their own ball as in metal play, and records his actual score for each hole on a scorecard. Points may be recorded on a separate card for the team. Total of all balls count for teams score. In this game, high scores are good!

Scoring: The scoring for this event is based upon a modified Stableford System of scoring "points" based on the number of strokes taken at each hole. Points awarded for the hole are as follows: Net Albatross = +8, Net Eagle = + 6, Net Birdie = +4, Net Par = +2, Net Bogie + 1, Net Double Bogie or worse = 0.

2017 Tournament Results

1st Place (168 points)

Hugh Duggan
Don Schroeder
Bob Testa
Robbie Robinson

2nd Place (167 Points)

Jim Johnson
Wayne Cook
Bernie Wroblewski
Kevin Donahue

3rd Place (147 points)

Michael Barrington
Conrad Robertson
Matt Arena
David Harris

Our only agenda is to have fun!

2018 Special Event Tournaments

Team Captains:

This Special Event is using a different scoring system from what we are accustomed to at our weekly tournaments. Each player plays their own ball but scoring is recorded as “points” rather than “strokes” You will receive an extra score card to record results for the special event.

So here’s a crash course on how to figure it...

Modified Stableford Scoring Method

Step 1. Record individual players gross score for the hole on the regular tournament score card as we always do.

Step 2. Then subtract any handicap strokes (indicated by dots), if any, to obtain a players net score.

Step 3. Compare the players net score to the par for that hole, ie. bogie, par, birdie and the like, and write down the Stableford points earned for that hole on the S/E score card using this point system:

Net Albatross = 8

Net Eagle = 6

Net Birdie = 4

Net Par = 2

Net Bogie = 1

Net Double Bogie or worse = 0

Step 4. Total the points for every player to determine the team’s points on each hole played. The sum total of points for all holes equals the Team’s Score for the tournament. The team with the most points wins.

Example for scoring ...

HOLE	1	2	3	4	5	6	7	8	9	OUT	I	10	11	12	13	14	15	16	17	18	IN	TOT	HCP	NET
